The Friends of NRA are the 501c(3) arm of the NRA. All funds raised by the FNRA go directly to firearms education, shooting teams, range development and general support of the shooting sports.

The Upper Susitna Friends of NRA are an all volunteer group of individuals that support the ideals of the Friends of NRA. In the last four years, the Upper Susitna Friends of NRA has raised over \$140,000 from its raffles and banquets. Much of this money has supported the Upper Susitna Shooters Association Range through the FNRA grant process.

Since 2000 the Alaskan FNRA committees have raised nearly 10 million dollars for the shooting sports. Of this, \$5 million was spent directly in Alaska and the other half spent on national programs.

By attending an FNRA event you are helping to preserve the shooting sports in the United States.
